## India Smart Utility Week 2026 held in New Delhi with 2000+ Delegates, 230+ experts and Speakers and Participation from 40+ Utilities

*ISGF's flagship global conference on smart energy and smart mobility to strengthen international collaboration and showcased cutting-edge technologies for future-ready utilities*

**Lamp Lighting during Inaugural Ceremony of India Smart Utility Week (ISUW) 2026**

**New Delhi, March 2026:** The 12th edition of India Smart Grid Forum's flagship international conference and exhibition, India Smart Utility Week (ISUW) 2026, held from 10 to 14 March 2026 in New Delhi, concluded successfully with participation of over 2000 delegates, 230+ speakers and representatives from more than 40 electricity utilities from India and overseas.

Organised by the India Smart Grid Forum (ISGF), ISUW has emerged as one of the world's leading platforms for discussions on smart grids, digitalization of utilities, energy transition, electric mobility and smart cities. The event brought together policymakers, regulators, utility leaders, technology providers, industry experts, researchers and innovators to deliberate on the future of the global energy ecosystem.

The weeklong event featured high-level plenary sessions, keynote addresses, bilateral workshops, technical sessions, roundtables, tutorials, technical paper presentations and technical tours, creating a vibrant platform for exchange of ideas, global best practices and emerging technologies.

The event received support from the Ministry of Power, Central Electricity Authority, Department of Science & Technology, NITI Aayog, and All India DISCOMs Association (AIDA). The Host Utilities for the event included BSES Rajdhani Power Limited, BSES Yamuna Power Limited, The Tata Power Company Limited, Tata Power Delhi Distribution Limited, and Noida Power Company Limited. The Platinum Partner of the event was Smart Energy Water, while the Knowledge Partner was Power Foundation of India.

Participants from several countries including USA, UK, Brazil, Indonesia, Netherlands, France, Australia, Slovenia, UAE, African and Korea joined ISUW 2026, highlighting the event's growing international importance as a hub for global energy dialogue and cooperation.

A key highlight of ISUW 2026 was the bilateral smart grid workshops with partner countries including the UK, Brazil and Indonesia, aimed at strengthening collaboration in areas such as grid modernisation, renewable integration, digitalisation of utilities, electric mobility and emerging energy technologies.

The event also hosted the 10th edition of ISGF Innovation Awards 2026, recognising outstanding innovations, projects and technologies that are accelerating transformation in the energy and utility sectors. Utilities, technology providers, startups and technology providers were honoured for their contributions towards building smarter and more resilient energy systems.

**Speaking on the occasion, Mr. Reji Kumar Pillai, President, India Smart Grid Forum (ISGF) said:** "India Smart Utility Week has evolved as a globally recognised platform that brings together leaders from utilities, governments, technology companies and academia to accelerate the transformation of the power sector. As energy systems become more digital, decentralised and sustainable, platforms like ISUW are critical to enable collaboration, knowledge exchange and innovation."

"India is rapidly advancing its energy transition journey with ambitious renewable energy targets, grid modernisation initiatives and electrification of mobility. ISUW continues to support this transformation by bringing global expertise, technologies and partnerships to the Indian power sector."

ISUW 2026 was inaugurated by following esteemed dignitaries Mashal Dhawan, CEO – Asia, SEW.AI and General Secretary, ISGF; Brian Motherway, Head-Energy Efficiency Division, IEA; Amal Sinha, Director and Group CEO, BSES; Ashish Khanna, DG, International Solar Alliance; Shivkumar Kalyanaraman, CEO, ANRF; Ashish Goel, Chairman, UPPCL; Alok Kumar, DG, All India DISCOMs Association; Ghanshyam Prasad, Chairperson, CEA; Richard Schomberg, Special Envoy on Smart Electrification, IEC.

ISUW 2026 also featured an international exhibition, where leading global and Indian companies showcased advanced smart grid technologies, digital solutions, AI-based energy management platforms, energy storage solutions, electric mobility infrastructure and cybersecurity technologies for utilities.

**The conference sessions covered a wide range of themes including:**

- Agentic AI: How to Build and Deploy AI Agents
- Digitalization Roadmap for Utilities and Data Governance Framework
- Flexumers
- Electric Mobility and Vehicle-to-Grid Technologies
- Artificial Intelligence and Data Analytics for Utilities
- Cybersecurity for Power Systems
- Gender Balance in Power Sector

The India Smart Grid Forum (ISGF) expressed its gratitude to all ministries, partners, speakers, delegates, exhibitors and supporting organisations for their contribution in making ISUW 2026 a grand success.

## ISUW 2026 CONFERENCE THEMES AND WORKSHOPS

 Rise of Flexurers and Digital Tools for DER Management and Grid Integration	 Digital Energy Grids on Unified Energy Interface (UEI) Architecture and Regulations for DEG	 Square-Mile Size AI Data Centres requiring GW-scale Power Connections
 Future of Work: Working with Digital Colleagues and Humanoid Robots	 Electric Vehicles – a \$200 billion Opportunity in India to be Unlocked	 Resiliency of the Power Systems against Extreme Weather Events
 Electrification of Agricultural Sector – Electric Tractors and Solarized Irrigation Pumps	 Role of Small Modular Reactors (SMR) in the Net Zero Power Systems	 10 Million Rooftop PV Systems and Management of Reverse Power Flows on Distribution Feeders
 Role of Women in Energy and Just Transition	 AI-ML-VR-AR and Robotics Applications for Utilities	 Power Markets and Carbon Markets
 Digitalization Roadmaps for Utilities	 Smart Metering and Smart Meter Data Analytics	 Data Governance Framework and Data Management in Utilities
 <b>Innovative Solutions for Power System Flexibility:</b> <i>Smart Microgrids; Grid Interactive Buildings; District Cooling Systems (DCS); Distributed Energy Storage Systems and Demand Response (DR)</i>		

## ISUW 2026 BILATERAL AND SPECIAL WORKSHOPS AND ROUNDTABLES

 <p><b>India – UK</b> CEO Roundtable on Smart Energy (In Partnership with FCDO, UK), Theme: Digitalising the Future Energy Ecosystem</p>	 <p><b>2th India - US</b> Smart Energy Workshop (In Partnership with UL Standards &amp; Engagement), Theme: Rollout of Smart Inverters</p>	 <p><b>3rd India – Brazil</b> Smart Energy Workshop (In Partnership with LATAM SMART GRID FORUM)</p>	 <p><b>2nd India-Indonesia</b> Smart Energy Workshop (In Partnership PJCI, Indonesia)</p>
 <p>Agentic AI – How to Build and Deploy AI Agents</p>	 <p>10th IEC–IEEE-BIS Smart Energy Standardization Coordination Workshop (in collaboration with BIS, IEC, and IEEE)</p>	 <p>All India DISCOMs Association General Body Meeting</p>

# WE3 ASIA SUMMIT GLIMPSES OF THE CONFERENCE 10TH MARCH 2026

## WE3 Asia Summit - Inaugural Ceremony And Lamp Lighting

**Speakers of the Session:** (L-R) Amitabh Prasad, President Asia, SEW. AI; Reji Pillai, President, India Smart Grid Forum; Mashal Dhawan, CEO Asia, SEW.AI; Reena Suri, Executive Director, India Smart Grid Forum; Kapil Dev, Legendary Cricketer and Former Captain, Indian National Team; Ravinder Sajwan, CEO, UltraGreen.AI; Manoj Kohli, Former MD and CEO Bharti Airtel, Former Country Head, Softbank India

## Global CXO Forum: Vertical AI for Energy and Utilities From Global Transformation to Asia's Leap

**Speakers of the Session:** (L-R) Amal Sinha, Director & Group CEO, BSES Delhi; Suresh Kotha, Chief Information Officer, SMUD; Reji Pillai, President, India Smart Grid Forum; Manoj Kohli, Former MD and CEO Bharti Airtel, Former Country Head, Softbank India; Eric Lehouelleur, Director Project, India, EDF International Networks; Jayant Kumar, CEO, L&T Digital Energy Solution

## Panel Session: Building Connected Future – Customers, Workforce, Grid for Utilities

**Speakers of the Session:** (L-R) - Yashvardhan Poddar, Managing Director, Subhasree Projects; Amitabh Prasad, President Asia, SEW. AI; Reena Suri, Executive Director, India Smart Grid Forum; Atul Bali, Director, National Smart Grid Mission; Debasish Bera, Managing Director (Partner), Accenture

## Inspiration Beyond Energy: Lessons in Leadership & Resilience

**Speakers of the Session:** (L-R) - Mashal Dhawan, CEO Asia, SEW. AI, Kapil Dev, Legendary Cricketer, Former Captain, Indian National Team

**People + AI: How SEW.AI COSMOS Redefines the Energy and Utility Experience**

**Speakers of the Session:** (L-R) - Mashal Dhawan, CEO Asia, SEW.AI; Deepak Garg, Chairman, Founder, Co-CEO, SEW.AI

**From Chaos to Order – Making Connected Utilities Real**

**Speakers of the Session:** (L-R) - Vijay Panpalia, VP - Product Engineering, SEW.AI; Raj Kumar Rastogi, Chief (Operations & Safety), Tata Power Delhi; Rajesh Sivaprakasam, DGM, SAP & IT, Sabarmati Gas; Anish Kalucha, Chief Information Officer, Noida Power; Suresh Kotha, Chief Information Officer, SMUD; Brajesh Kumar, Chief Operating Officer, BSES Yamuna

**Vertical AI in High-Stakes Industries: Building Intelligence Where Failure Is Not an Option**

**Speaker of the Session:** Ravinder Sajwan, CEO, UltraGreen.AI

**The New Energy Playbook: Where Innovation Is Happening Across Grid, Customer & Infrastructure**

**Speakers of the Session:** (L-R) - Deepak Garg, Chairman; Founder, Co-CEO, SEW.AI; Prateek Chandra, Product Owner, Dominion Energy; Col Suhail Zaidi (Retd), Director General, MAIT; Saurav Adhikari, Founder & Senior Partner, Indus TLG Managers LLP; Yves Fouquet, CIO, EDF-International Networks

**WE3 Award & Recognition to ISGF**

**In the Picture:** (L-R) - Mashal Dhawan, CEO Asia, SEW.AI; Reji Pillai, President, India Smart Grid Forum; Reena Suri, Executive Director, India Smart Grid Forum

## WE3 Asia Summit Networking Dinner on 9th & 10th March 2026

**Speakers of the Session:** (L-R) - Mashal Dhawan, CEO Asia, SEW.AI; Deepak Garg, Chairman, Founder, Co-CEO, SEW.AI

## ISUW 2026 GLIMPSES OF SPECIAL WORKSHOPS AND MASTER CLASS DAY 1 (10TH MARCH 2026)

### 10th IEC-IEEE-BIS Smart Energy Standardization Coordination Workshop (in collaboration with BIS, IEC, and IEEE)

**Session 1: From Standards to Practice –  
Regulatory and Utility Perspectives on DER &  
EV Grid Integration**

**Session 2: Standards for Artificial Intelligence  
and Cybersecurity for Smart Energy Systems**

**Speakers of the Session:** (L-R) Navin Maurya, AGM, Luminous Power Tech; Asit Maharana, Head ETD, BIS; Kotthapally Satishkumar, Deputy Director, CEA; Sripam Sourabh, Engineering Manager, ULSE; K Balaraman, Chair-ETD 46, BIS; Richard Schomberg, Special Envoy on Smart Electrification, IEC; Ravindra Desai, Program Manager, IEEE; Dinesh Sharma, Director Standards & Public Policy, SESEI; Kishor Narang, Founder, Namix Technologies; Disha Khosla, AGM, India Smart Grid Forum

**Speakers of the Session:** (L-R) V Shivakumar, Joint Director, CPRI; Kishor Narang, Founder, Namix Technologies; Richard Schomberg, Special Envoy on Smart Electrification, IEC; Arun Kumar Mishra, Ex-ED, PGCIL; PK Agarwal, Former Director, Grid-India; Alismita Khag, Scientist-D/Joint Director, BIS; Sripam Sourabh, Engineering Manager, ULSE

## Agentic AI – How to Build and Deploy AI Agents

### Session 1: Power Sector Use Cases (On-Prem LLM + Confidential Data)

**Tutor of the Session:** Mukesh Kala, Hyper Automation Practice Head, Boundaryless Group

### Session 2: Deep Compliance Agent – AN Intelligence & Cognitive Compliance Research Framework

**Tutor of the Session:** Manoj Batra, Vice President RPA, NatWest Group

### Session 3: Demonstrations

**Tutor of the Session:** Arani Chaudhuri, Founder and CEO, AI Library

### Session 4: Introduction to OpenClaw – AI Personal Assistant

**Tutor of the Session:** Arani Chaudhuri, Founder and CEO, AI Library

## ISUW 2026 GLIMPSES OF THE CONFERENCE DAY 2 (11TH MARCH 2026)

### Inauguration of ISUW 2026 Conference

**Speakers of the Session:** (L-R) Reena Suri, Executive Director, India Smart Grid Forum; Mashal Dhawan, CEO Asia, SEW.AI; Brian Motherway, Head-Energy Efficiency Division, IEA; Ashish Khanna, DG, International Solar Alliance; Ashish Goel, Chairman, UPPCL; Ghanshyam Prasad, Chairperson, CEA; Alok Kumar, DG, All India DISCOMs Association; Amal Sinha, Director and Group CEO, BSES; Richard Schomberg, Special Envoy on Smart Electrification, IEC; Shivkumar Kalyanaraman, CEO, ANRF; Anshuman Srivastava, Executive Director, PFI; Reji Pillai, President, India Smart Grid Forum

## Inauguration of ISUW 2026 Exhibition

**In the Picture:** (L - R) Reji Pillai, President, India Smart Grid Forum; Abhishek Ranjan, CEO, BRPL; Richard Schomberg, Special Envoy on Smart Electrification, IEC; Ghanshyam Prasad, Chairperson, CEA; Brian Motherway, Head-Energy Efficiency Division, IEA; Ashish Goel, Chairman, UPPCL; Ashish Khanna, DG, International Solar Alliance; Shivkumar Kalyanaraman, CEO, ANRF;

## 10 Million Solar Rooftop Systems And Management of Reverse Power Flows on Distribution Feeders (In Partnership with AIDA and NISE)

**Speakers of the Session:** (L-R) KVS Baba, Former CMD, GRID-INDIA; Mohammad Rihan, DG, NISE; Alok Kumar, DG, AIDA; Adarsh Nagarajan, Strategic Initiatives Advisor, BRPL; Richard Schomberg, Special Envoy on Smart Electrification, IEC; Jayant Kumar, CEO Power Transmission and Distribution, L&T; Brajesh Kumar, COO, BYPL; Mohan Singh, DGM - Automation, Noida Power Company Limited

## Regulations for Digital Grids (In Partnership with Power Foundation of India (PFI))

**Speakers of the Session:** (L-R) Yashika Maheswari, Manager, India Smart Grid Forum; Priyavrat Tomar; Research Associate, India Smart Grid Forum; Arun Goyal, Former Member, CERC; Himanshu Chawla, Head Regulatory & Research, PFI; Digital DISCOM and Digitized Consumer; Dwijadas Basak, CEO, TPDDL; Amal Sinha, Director & Group CEO, BSES; P Ravi Kumar, Chairperson, KERC; Anshuman Srivastava, Executive Director, PFI; Reena Suri, Executive Director, India Smart Grid Forum; Anujesh Dwivedi, Partner, Deloitte; Anand Singh, GM, India Smart Grid Forum

## Square-Mile Size AI Data Centre Requiring GW-Scale Power Connections

**Speakers of the Session:** (L-R) Priyavrat Tomar; Research Associate, India Smart Grid Forum; Bala K, Manager, India Smart Grid Forum; Matt Gleeson, Vice President - Energy Transition and Water Conservation, Oracle Utilities; Sourajit Ghosh, Director IT, UPPCL; Anant Venkateswaran, Advisor, ISGF; Reena Suri, Executive Director, India Smart Grid Forum; Rajnath Ram, Advisor Energy, NITI Aayog, Moderator; Tripta Thakur, Vice Chancellor, Veer Madho Singh Bhandari Uttarakhand Technical University; Amit Agrawal, President, Techno Digital; Arvind Jadhav, Former Chief Secretary, Gov of Karnataka; Gaurav A Sharma, GM, Noida Power; Anwaya Bilas Sengupta, Alternate CISO, GRID-INDIA

## Digital Energy Grids on Unified Energy Interface (UEI) Architecture

**Speakers of the Session:** (L-R) Tarun Batra, Head Digital & IT, TPDDL; Abhishek Ranjan, CEO, BRPL; Nick Singh, Smart Grid CoE Manager, Eskom Research Testing & Development; Reji Kumar Pillai, President, ISGF; and Chairman, GSEF; NA Khan, CTO, Eppeltone Engineers; Swetha Ravi Kumar, ED, FSR Global, IES Secretariat; Dharmveer Singh, Founder and CEO, PowerXchange

## ISUW 2026 ROUNDTABLES DAY 2 (11TH MARCH 2026)

**India – UK CEO Roundtable on Smart Energy,  
Theme: Digitalising The Future Energy Ecosystem  
(in Partnership With FCDO, UK)**

**Speakers of the Session:** Tarun Batra, Head D & IT, TPDDL; Lalitkumar Parmar, Chief Engineer, PGVCL; Atul Bali, Director, NSGM; Raveesh Gupta, MD, PVVNL; Archana Chauhan, Head - Energy Sector Reforms, Climate and Energy Team, British High Commission, FCDO; Laura Aylett, First Secretary, Climate and Energy, British High Commission; Vikas Gaba, Partner, KPMG; Saurav Shah, ED, PFC; Ashish Kumar Goel, Chairman, UPPCL; MAKP Singh, Former Member, CEA; Abhishek Ranjan, CEO, BRPL; Shambu Kumar, MD, PuVVNL; Anuradha Beri, Director, KIGG Ltd; Ankur Sharma, CEO, Flock Energy; Jai Beri, Associate Director, Sustainable Energy, KIGG Ltd; S.K. Soonee, Former CEO, Grid India

**12th India - US Smart Energy Workshop, Theme:  
Rollout of Smart Inverters  
(in Partnership With UL Standards & Engagement)**

**Speakers of the Session:** (L-R) Aashima Singh, AGM, India Smart Grid Forum; Rajan Munjal, National Channel Business Leader, Sungrow; AK Rajput, Former Member Power Systems, CEA; Naveen Nagpal, Head-CES (DP), BRPL; K Balaraman, Chair ETD 46, BIS; and Former DG NIWE; Mohammad Rihan, DG, NISE; Richard Schomberg, Special Envoy on Smart Electrification, IEC; A Balan, Member - Planning, CEA; Adarsh Nagarajan, Strategic Initiatives Advisor, BRPL; Kishore Narang, Founder, Namix Technologies; Ravindra Desai, IEEE; Richie Stephen, Senior Regional Standards Project Manager, ULSE

### General Body Meeting of All India Discoms Association (for AIDA Members only)

**Speakers of the Session:** (L-R) Satyendra Nath Kalita, Director (RA), AIDA; Vivek Goyal, Chief Engineer, CEA; Khajan Bhardwaj, Director, Technical, AIDA; Samuel Paul N, MD, KESCO; Raveesh Gupta, MD, PVVNL; Alok Kumar, DG, AIDA; Shambhu Kumar, MD, PUVVNL; Ashish Kumar Goel, General Secretary AIDA & Chairman, UPPCL; PR Kumar, Treasurer, AIDA & MD, NPCL; Brajesh Kumar, COO, BYPL; Dwijadas Basak, CEO, TPDDL; Rajesh Kumar, ED, DVC; Roshan Kumar, GM, DVC; Ali Shah, ED, PFC; Jamiruddin Ansari, Director, PMU, MoP; Prabhakar Kumar Singh, ED, REC; Pradeep Prajapati, Distribution, MoP; Uttam Kumar, Deputy Director, IEEMA

# ISUW 2026 Welcome Reception (11th March 2026)

# ISUW 2026 GLIMPSES OF THE CONFERENCE DAY 3 (12TH MARCH 2026)

## CONFERENCE THEMATIC SESSIONS

### Rise of “Flexumers” and Digital Tools for DER Management and Grid Integration

**Speakers of the Session:** (L-R) Anand Singh, GM, India Smart Grid Forum; Nick Singh, Smart Grid CoE Manager, Eskom Research Testing & Development; JK Jethani, Senior Director, MNRE; SK Soonee, Former CEO, GRID-INDIA; Reji Kumar Pillai, President, ISGF; and Chairman, Global Smart Energy Federation; PK Agarwal, Former Director, Grid-India; Bagus Setiawan, PJCI; Piyush Awadhesh, CPO E-Mobility, SEW. AI; Sunil Sharma, GM Sustainability and Clean Technology, BYPL

### Digitalization Roadmaps for Utilities (in Partnership with AIDA)

**Speakers of the Session:** (L-R) Disha Khosla, AGM, India Smart Grid Forum; Kabir Malik, Senior Economist, World Bank; Amitabh Prasad, President - Asia, SEW; Mohan Singh, DGM IT and Automation, Noida Power; Abhishek Ranjan, CEO, BRPL; Alok Kumar, DG, AIDA; S Suresh Kumar, Chairman, DVC; Reji Pillai, President, India Smart Grid Forum; SK Senapati, Head Sales & Commercial, L&T; Sandip Pal, Head Distribution Services, TPNODL; Satyendra Nath Kalita, Director - Regulatory Affairs, AIDA

## Smart Metering and Smart Meter Data Analytics

### Panel 1: AMI - From Smart Meter Rollout to Smart Data Operations

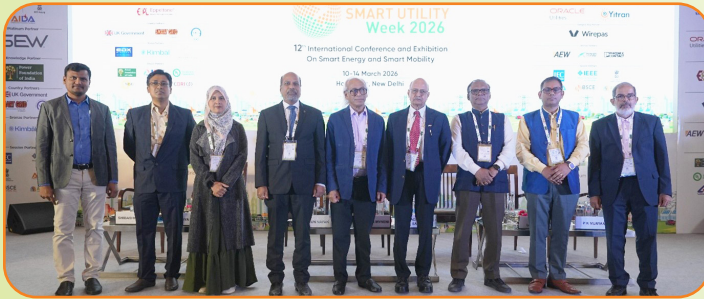

**Speakers of the Session:** (L-R) Bala K, Manager, India Smart Grid Forum; Reena Suri, Executive Director, India Smart Grid Forum; Vasu Khurana, Manager Projects, Phoenix Contact; Sebastien Pellorce, SVP - AMI India, Wirepas; Prabir Neogi, Mentor to FICCI Power Committee; Ajay Padmanabhan, Head - Corporate Communications and PR, IntelliSmart Infrastructure; Aditya Gupta, SVP - R & D, AEW; Rupesh Goyal, Head Metering, Analysis and Energy Audit, TPWODL; Kamalpreet Wadhawan, GM, PFC; Priyavrat Tomar, Research Associate, India Smart Grid Forum

### Panel 2: AMI 2.0 - Grid Intelligence, Der Integration And Cyber-Resilient Architecture

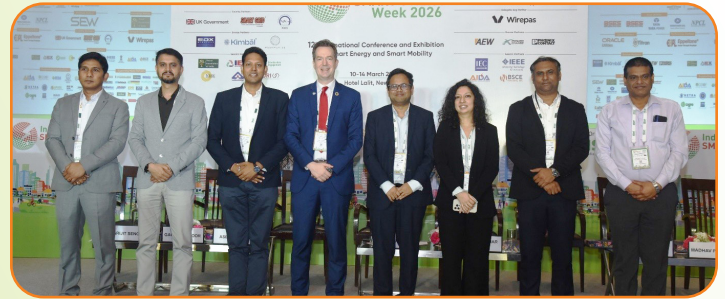

**Speakers of the Session:** (L-R) Priyavrat Tomar, Research Associate, India Smart Grid Forum; Bala K, Manager, India Smart Grid Forum; Marc Delandre, EDF International; Rohit Pareek, Chief Product Officer, Impresa.ai; Matt Gleeson, Vice President - Energy Transition, Oracle Utilities; Reena Suri, Executive Director, India Smart Grid Forum; Atul Bali, Director, NSGM; Saurav Shah, ED, PFC; Vijay Panpalia, VP- Product Engineering, SEW; Sourajit Ghosh, Director IT, UPPCL; Ajoy Rajani, MD & CEO, Meshmerise Networks; Santadyuti Samanta, Leader - Product and Solution Management, Kimbal

## Role of Small Modular Reactors (SMR) in The Net Zero Power Systems (in Partnership With BSCE Systems)

**Speakers of the Session:** (L-R) Bala K, Manager, India Smart Grid Forum; Manoj Upadhyaya, Dy Advisor - Energy, NITI Aayog; Asiya Rummana, Nuclear Physics, Aligarh Muslim University; Arun Nayak, Dean Research, Somaiya University; Reji Kumar Pillai, President, ISGF; and Chairman, Global Smart Energy Federation; Ganapati Myneni, Co-founder, BSCE Systems, Inc; Shibashish Pal, Sector Head - Domestic Nuclear Business, Tata Consulting Engineers Limited; PK Vijayan, Professor, Manipal Institute of Technology

## The Cooling Challenge: Accelerating District Cooling System (DCS) Adoption in India (in Partnership With APUEA)

**Speakers of the Session:** (L-R) Anand Singh, GM, India Smart Grid Forum; Gaurav Kapoor, Regional Sales Development Manager, Grundfos; Aseem Goyal, General Manager, Business Development, Tabreed India; Peter Lundberg, Executive Director, APUEA; Pramod Kumar Singh, Senior Director Research and Programs AEEE; Archa Modi, AGM, Business Development, Keppel India (EaaS); Madhav Puranik, AVP-DCS, Gift City; Avinash C Kumar, AVP, BRPL

## Resiliency of the Power Systems Against Extreme Weather Events (in Partnership with Power Foundation of India (PFI) and CDRI)

**Speakers of the Session:** (L-R) Amit Tripathi, Advisor Power Sector, CDRI; Rahul Tongia, Senior Fellow, CSEP; Bagus Setiawan, Director, PT PLN; Samhita R, Cofounder and CEO, Resilience AI: Resilience of the Power Systems Against Extreme Weather Events; Himanshu Chawla, Head Regulatory & Research, PFI; Anshuman Srivastava, Executive Director, PFI; Santanu Sen, GM, CESC; Adarsh Nagarajan, Strategic Initiatives Advisor, BRPL; Anurag Bhagat, Head - Communications, PFI; Pourush Garg, Chief CCG & Engineering, TPCODL

## Data Governance Framework and Data Management in Utilities (in Partnership with AIDA)

**Speakers of the Session:** (L-R) Reji Kumar Pillai, President, ISGF; and Chairman, Global Smart Energy Federation; Anoop Singh, CER, IIT Kanpur; Ghanshyam Prasad, Chairperson CEA; Kabir Malik, Senior Economist, World Bank; Pankaj Kumar, MD, UPPCL; Birendra Chaudhary, DGM-IT, Noida Power; Rahul Tongia, Senior Fellow, CSEP; Reena Suri, Executive Director, India Smart Grid Forum

## ISUW 2026 WORKSHOP DAY 3 (12TH MARCH 2026)

### 3rd India – Brazil Smart Energy Workshop (in Partnership With Latam Smart Grid Forum)

**Speakers of the Session:** (L-R) Aashima Singh, AGM, India Smart Grid Forum; Ajoy Rajani, MD & CEO, Meshmerise Networks; Ashish Singhal, Director, AEW; Alessandra Amaral, Executive President, ADELAT (Association of Latin American Power Distribution Companies); Reji Kumar Pillai, President, ISGF; and Chairman, Global Smart Energy Federation; Cyro Vicente Boccuzzi, President, ECOee and Latin American Smart Grid Forum; Ravi Seethapathy, Advisor, ISGF; Executive Chairman, Biosirus Inc; Abhishek Ranjan, CEO, BRPL; Amit Tomar, Asst. VP, Head Central Engineering Services, BYPL; Soumya Chakrabarty, AVP, Head (LR & CPMG), BYPL; Shashi Bala, DGM, PowerXchange Innovations

# ISUW 2026 GLIMPSES OF THE CONFERENCE DAY 4 (13TH MARCH 2026)

## CONFERENCE THEMATIC SESSIONS

### New Technologies: AI-ML-VR-AR and Robotics Applications and Reliable Communications for Utilities

**Speakers of the Session:** (L-R) Kishor Narang, Founder, Narnix Technologies; Sandeep Dhamija, CEO, TP Power Plus; Kiran Gupta, Chief-Customer Experience, Commercial & Govt. Affairs, TPDDL; Anita Gupta, Former Head - CEST, Department of Science and Technology (DST); Reena Suri, Executive Director, India Smart Grid Forum; Brajesh Kumar, COO, BYPL; Meenakshi Vashist, Founder & CEO, TekUncorked; Indranil Chatterjee, Sr EVP, GNA Energy; Keyur Bhalavat, Founder & CEO, Plutomen Technologies

### Electric Vehicles – A \$200 Billion Opportunity in India to be Unlocked (In Partnership with Power Foundation of India (PFI))

**Speakers of the Session:** (L-R) Anand Singh, GM, India Smart Grid Forum; Reji Kumar Pillai, President, ISGF and Chairman, Global Smart Energy Federation; Saikat Chakrabarti, Professor, IIT Kanpur; Meenal Malviya, Sr. Regional Manager, ECOG; Srinu Babu Matta, Head Project Planning, Tata Motors; BK Panigrahi, Dean, IIT Delhi; Raghav Salwan, PFI: Incidence of Electric Bus Charging on DISCOMs Network and Scope for Optimal Power Purchase; Himanshu Chawla, Head Regulatory & Research, PFI; Richard Schomberg, Special Envoy on Smart Electrification, IEC; Pradeep Aggarwal, GM, BRPL; Krishna Chandra, Chief Manager, Noida Power Company; Sabyasachi Majumdar, Sr. Director, CareEdge Rating; Anuj Kumar, AGM, Tata Power

### Electrification of Agricultural Sector and Charging of EVs with Green Electricity

**Speakers of the Session:** (L-R) Madhuri Dixit Ghugari, Director, Agrinext Technologies; Anshuman Srivastava, Executive Director, PFI; Disha Khosla, AGM, ISGF; Reji Kumar Pillai, President, ISGF; and Chairman, Global Smart Energy Federation, Pankaj Goyal, Co-Founder and COO, AutoNxt; Suresh Babu, Scientist E CEST, DST; Om Krishnan Singh, Scientist 'E' Director R&D, MEITY; - Anand Singh, GM, India Smart Grid Forum; Aarti Kulkarni, Deputy Executive Engineer, MSEDCL (Virtual); VN Kale, Addl Commissioner Machinery, Ministry of Agriculture and Farmers Welfare (Virtual)

### Power Markets and Carbon Markets (In partnership with IEX)

**Speakers of the Session:** (L-R) Bala K, Manager, India Smart Grid Forum; Gopal Krishna Sarangi, Associate Professor Department of Policy & Management Studies, TERI School of Advanced Studies; Nidhi Narang, Former Director - Finance, UPPCL; . Snigdha Verma, Founder and Chief Executive Officer, Global Peepal Policy League; Rohit Bajaj, JMD, IEX; Rajib Mishra, ED, IRADE; Reji Kumar Pillai, President, ISGF; Inderjeet Singh, Partner Climate Change & Sustainability, Deloitte, India; Nithyanandam Yuvaraj Dinesh Babu, Founder & CEO, UNMAI Carbon Solutions, Singapore; Munish Sharma, Head of Group Consumer Connect, ESG and ISO Compliance, BRPL

## Special Plenary Session By Jbv Reddy, Head Quantum Technology Cell, Department of Science & Technology (DST)

**Speaker of the Session:** Jbv Reddy, Head Quantum Technology Cell, Department of Science & Technology (DST), Government of India

## Emerging Solutions for Power System Flexibility

**Speakers of the Session:** (L-R) Disha Khosla, AGM, ISGF; Santhosh Nair, Director, Oracle Utilities; SK Soonee, Former CEO, GRID-INDIA; Ganesh Das, Chief - Collaboration & Innovation, Tata Power; A Balan, Member Planning, CEA; Ravi Seethapathy, Advisor, ISGF; Executive Chairman, Biosirus Inc; Gurusharan Dhillon, Director, Electric Mobility, IESA; Aby Joseph, Scientist - G and Senior Director, CDAC; Abhishek Ranjan, CEO, BRPL; Praveen Goyal, Senior Vice President (IT, Automation, Metering and Sustainability) Noida Power Company Limited

## Future of Work: Working with Digital Colleagues and Humanoid Robots

**Speakers of the Session:** (L-R) Priyavrat Tomar, Research Associate, India Smart Grid Forum; Rohan Banik, Research Associate, India Smart Grid Forum; Saurabh Gupta, Senior Director Regional Accounts (India), SEW.AI; Arjun Reddy, Founder and CEO, Spatial Grid; Shalabh Gupta, CEO & Co-founder, Sidhhanth; Sankar Patnaik, Director, CITI Bank; Mukesh Kala, Hyper Automation Practice Head, Boundaryless Group; Reji Kumar Pillai, President, ISGF and Chairman, Global Smart Energy Federation; Arani Chaudhuri, Founder and CEO, AI Library; Sandeep Singh Bhadwal, Co-Founder, AI Library; Richard Schomberg, Special Envoy on Smart Electrification, IEC.

## Gender Balance in the Energy Sector

**Speakers of the Session:** (L-R) Yashika Maheswari, Manager, India Smart Grid Forum; Vishnu Shankar Srivastava, Head Strategic Project, BRPL; Kiran Gupta, Chief-Customer Experience, Commercial & Govt. Affairs, TPDDL; Reena Suri, Executive Director, ISGF; Poonam Barua, Founder & Chairperson, Forum for Women in Leadership- WILL Forum; Mini Govindan, Senior Fellow, TERI; Rahul Tongia, Senior Fellow, CESP; Monali Zeya, Director Climate, CIFF India; Mukul Saxena, Head of Standards and Research (and Advisor), Skill Council for Green Jobs; Isha Dayal, Consultant, NCAER; Rashi Gupta, Founder, Vision Mechatronics; Prachii Saini, Brand Strategist, Meshmerise Networks

## PRESENTATIONS OF SELECT TECHNICAL PAPERS

### Technical Presentation on Themes: Smart Water, Regulations for the Evolving Smart Energy Systems, New and Emerging Technologies and Trends, Electric Mobility, Cyber Security for the Digitalized Grids

**Chaired by:** K Balaraman, Chair ETD 46, BIS; and Former DG-NIWE  
**Speakers of the Session:** (L-R) Jai Kumar Dhawal; Aashima Singh, AGM, India Smart Grid Forum; Nirmala Mantri; Richa Karve; Ankit; Navneet Singh Joshi; Moreshwar Salpekar; Aamir Hussain Khan; Bala Ram; Ankur Kaushik; Parul Bahl Sawhney; Yash Mane; Pavitra

**Technical Presentation on Themes: Evolving Architecture of the 21st Century Grid with Two Way Power Flows, India@100 in 2047: Vision for the Indian Power System, Smart Grids for Smart Cities**

**Technical Presentation on Themes: Foundational Blocks for Smart Grids, Smart City Gas Distribution**

**Chaired by:** Kishore Narang, Founder, Narnix Technologies  
**Speakers of the Session: (L-R)** Aashima Singh, AGM, India Smart Grid Forum; Vineet Tripathi, Ashutosh Jaiswal, T Kesavan; Pramod Chimankar; Kishore Narang; Pritesh Kumar Srivastav; Sunil Bhansod; Yogesh Birajdar

**Chaired by:** Anjali Chandra, Former Member, PERC  
**Speakers of the Session: (L-R)** Ranjeet Kumar; Santhosh Miriala; Aashima Singh; Ritu Raj; Mohammed Aamir Siddiqui; B.Gidean Praveen; Sumit Gupta; Anjali Chandra; Vikas Gupta; Soumendra Sahoo; Chayan Mandal

**Technical Presentation on Theme: Disruptive Innovations for Utilities**

**Chaired by:** Santhosh Nair, Director, Oracle Utilities  
**Speakers of the Session: (L-R)** Kripal Singh; Simran Chadha; Harshit Gupta; Aashima Singh; Avnish Gupta; Priyanshu Agrawal; S.Hemamalini; V Lavanya; Trusha Biswas; Santosh Nair; Sumit Sekhar Pattanayak; Nikita Nayak; Saurav Darshana Mohapatra; Pritesh Kumar Srivastava

**ISUW 2026 WORKSHOP  
 DAY 4 (13TH MARCH 2026)**

**Speakers of the Session: (L-R)** Anshuman Srivastava, Executive Director, PFI; Himanshu Chawla, Head Regulatory & Research, PFI; Rajesh Dangi, Secretary, JERC; Lena Lusiana, PJCI; Habibie Razak, MKI; Ravi Seethapathy, Advisor, ISGF; Executive Chairman, Biosirus Inc; Bagus Setiawan, Director, PJCI; PK Agarwal, Former Director, Grid-India; Shashank Jewalikar, Executive Director, MSLDC; Teguh Prasetya M, MASTEL; Priyavrat Tomar; Research Associate, India Smart Grid Forum

## CONFERENCE AUDIENCE GLIMPSES

# 10th ISGF Innovation Awards Ceremony 2026 (13th March 2026)

## Welcome Address for Innovation Awards 2026

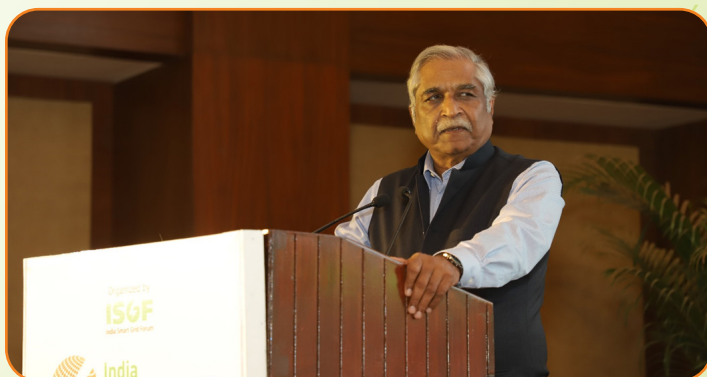

*Reji Kumar Pillai, President, ISGF; and Chairman, Global Smart Energy Federation*

## Jury Members for Innovation Awards 2026

*Alok Kumar, Former Secretary, Ministry of Power; and Director General, All India DISCOMs Association (AIDA); P. Uma Shankar, Former Secretary, Ministry of Power, Govt. of India; B. P. Singh, Former Member, Delhi Electricity Regulatory Commission (DERC); Ajay Mathur, Former Director General, International Solar Alliance (ISA); Former Director General, BEE; Former Director General, TERI*

## Addresses of Jury for Innovation Awards 2026

*P. Uma Shankar, Former Secretary, Ministry of Power, Govt. of India*

*Alok Kumar, Former Secretary, Ministry of Power; and Director General, All India DISCOMs Association (AIDA)*

*B. P. Singh, Former Member, Delhi Electricity Regulatory Commission (DERC)*

*Ajay Mathur, Former Director General, International Solar Alliance (ISA); Former Director General, BEE; Former Director General, TERI*

**Best Smart Grid Project in India - Utility**

**Diamond Award**

*Maharashtra State Electricity Distribution Company Limited*

*Substation Monitoring System in MSEDCL*

**Platinum Award**

*Assam Power Distribution Company Limited*

*Unified mobile app for monitoring smart meter communication status of multiple AMISPs*

**Platinum Award**

*Tata Power Delhi Distribution Limited*

*Gen AI-ML based IoT Revolution in TPDDL Networks*

**Gold Award**

*Tata Power Western Odisha Distribution Limited*

*End-to-end Digital Transformation of Metering Through AMI: From Installation to Remote Operations and Billing*

**Gold Award**

*Noida Power Company Limited*

*Intelligence-Driven Indigenous Outage Management System with Integrated GIS, SCADA, SAP and Field Mobility*

**Gold Award**

*Tata Power western Odisha Distribution Limited*

*GridAir\_Wireless communication in SAS*

**Most Innovative Renewable Energy Programs/Projects in India including Energy Storage Systems (ESS)**

**Diamond Award**

**BSES Rajdhani Power Limited**

20MW/40MWh Standalone Battery Energy Storage System at 11kV Distribution Network in BRPL Licensee Area

**Diamond Award**

**Grid Controller of India Limited**

AGC pilot projects on BESS, Solar, and PSP in Indian power system

**Platinum Award**

**Ciel et Terre Solar Private Limited**

FUSIO: A Game-Changing Floating Solar Innovation for a Sustainable Future

**Smart Technology – Electricity – Distribution - Network improvements in both Urban and Rural area**

**Diamond Award**

**CESC Limited**

Enhancing network reliability by reducing no. of feeder tripping due to HT flashovers as a result of failure of accessories for DTR by 29% and ensuring higher network, public safety by reducing the no. of fire incidents, due to DTR failure by 47% and reducing DTR failure rate from 5.7% to 0.44% of total population by shifting from preventive to predictive maintenance after implementing some in-house developed innovation projects and doing stringent fault analysis.

**Diamond Award**

**BSES Rajdhani Power Limited**

India's first of its kind 990 KVA SF6 Free Underground substation at Kalkaji represents a pioneering sustainable milestone in power distribution infrastructure.

### Platinum Award

*BSES Yamuna Power limited*

*PQMS India's first enterprise-level Power Quality monitoring Solution deployment in a Discom*

### Platinum Award

*Tata Power Southern Odisha Distribution Limited*

*LT Automation and Back-Feeding Protection using Smart Controller*

### Gold Award

*Tata Power Delhi Distribution Limited*

*Leveraging Asset Management Strategies for Environmental Sustainability in India's Power Sector.*

### Gold Award

*Tata Power Central Odisha Distribution Limited*

*Low Cost Auto Sectionalizer*

### Gold Award

*Tata Power Central Odisha Distribution Limited*

*Reduction of Technical Losses and Jumper Failure using inhouse Developed Tool*

**Smart Technology – Electricity – Distribution - Behind The Meter (BTM) Innovations/ Projects**

**Gold Award**

*Tata Power Northern Odisha Distribution Limited*

*Behind-the-Meter Innovations for Smart DT Load Management Using Smart Meter and GIS Data*

**Gold Award**

*Tata Power Plus Limited*

*OMS Prediction using Smart Meters + AI based Communication Analysis Tool + Integrated Energy Audit and Revenue Protection Modules + AMI Data Quality & Integrity*

**Smart Technology – Electricity – Distribution - Network Operations**

**Diamond Award**

*Allied Engineering Works Limited*

*Smart Distribution Transformer Asset Management and Utility O&M Solution*

**Diamond Award**

*CESC Limited*

*Reducing SAIFI by 23 %, SAIDI by 35 % & T&D loss from 14 % to 7.98 % in the system and increasing PLF and PAF up to a considerable limit by implementing low cost in house developed*

**Platinum Award**

*Tata Power Delhi Distribution Limited*

*Next-Generation LT ACB: Redefining Electrical Safety Standards*

**Platinum Award**

*Hitachi Energy Technology Services Private Limited*

*Innovative Distance Protection for Diverse Earthing Systems in Distribution Networks*

### Gold Award

*Tata Power Southern Odisha Distribution Limited*

*TPSODL Press Fit Fuse*

### Gold Award

*Tata Power Northern Odisha Distribution Limited*

*The Project Sunishchita identified a critical safety concern associated with the operation of Air Break (AB) Switches in the electrical distribution network.*

### Gold Award

*Gujarat Power Research and Development cell, GUVNL*

*WatchDog Transformer: Smarter Power Distribution with Real-Time Monitoring, Control and Theft Prevention*

*Empowering Reliability: Enhancing Power Supply Reliability with ATS-Enabled 11 KV RMUs*

### Gold Award

*BSES Yamuna Power Limited*

*Implementation of Online Circuit Breaker Rack-In Rack-Out System for 11 kV Switchgear at Sonia Vihar Grid Substation (A first-of-its-kind initiative among India's distribution utilities)*

### Gold Award

*Tata Power Delhi Distribution Limited*

*Design and Implementation: PVT Micro Substation Direct conversion of 66/3 kV to LT supply (230 V)*

**Smart Technology – Electricity – Domains other than Distribution - Generation**

**Platinum Award**

*Tata power company limited Mundra Thermal power station  
Cost effective reliability enhancement of generator seal oil system*

**Smart Technology – Electricity – Domains other than Distribution - Transmission**

**Platinum Award**

*Power Grid Corporation of India Limited  
Implementation of e-vegetation management concept for Extra High Voltage (EHV) Transmission Lines*

*Power Grid Corporation of India Limited  
Power Grid Corporation of India Limited A Smart Asset Health Monitoring Approach Using Alcohol as Chemical Indicator for Transformers and Reactors.*

**Gold Award**

*REConnect Energy Solutions Limited  
SAMAST: Streamlining Haryana's Power for a Smarter Future*

**Smart Technology – Electricity – Domains other than Distribution – Others**

**Diamond Award**

*Maharashtra State Load Despatch Centre, (Maharashtra State Electricity Transmission Company Limited)*

*Real Time Pilot of Intra State Security Constrained Economic Despatch in Maharashtra*

**Platinum Award**

*Tata Power Delhi Distribution Limited*

*Next-Gen OT-NMS for Predictive & Secure Smart Operations*

**Gold Award**

*Gujarat Electricity Transmission Corporation Limited, SLDC, Gujarat*

*Implementation of Wide Area Monitoring System (WAMS) using Phasor Measurement Unit (PMU) data & its Analytics in the State of Gujarat*

**Smart Technology – Domains other than Electricity – Smart Gas Distribution**

**Diamond Award**

*Rajasthan State Gas Limited*

*City Gas Distribution CNG station Gas reconciliation & LUAG (Gas Loss) Using IOT-AI Automation*

**Emerging Innovation in Electric Mobility Domain – EV and EVSE Rollouts including New Business Models, Solar EV Charging Stations etc**

**Gold Award**

*Kazam EV Tech Private Limited*

*Energy Management System for Grid-Optimised Electric Bus Depots in Indian Cities*

**Adoption of Artificial Intelligence, Machine Learning, Virtual Reality (VR)/Augmented Reality (AR) and Robotic Solutions – Utility**

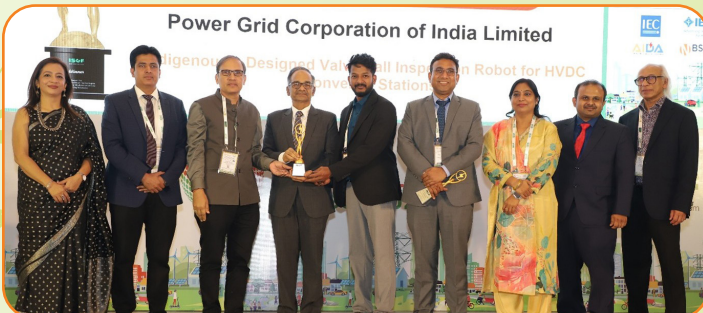

**Diamond Award**

*BSES Yamuna Power Limited and BSES Rajdhani Power Limited*

*Implementation of In-house Artificial Intelligence and Machine Learning based Demand forecasting tool for BYPL and BRPL*

**Diamond Award**

*Power Grid Corporation of India Limited*

*Indigenously Designed Valve Hall Inspection Robot for HVDC Converter Stations*

**Diamond Award**

*The Tata Power Company Limited*

*WeatherXpert : The PAN Tata Weather Platform*

### Platinum Award

SEW

*From Digitization to Intelligence: Tata Power's Industry-Defining Vertical AI Utility Transformation*

### Gold Award

BSES Rajdhani Power Limited

*Adoptions of Artificial Intelligence & Machine Learning for monitoring health of Power Transformer*

## Adoption of Artificial Intelligence, Machine Learning, Virtual Reality (VR)/Augmented Reality (AR) and Robotic Solutions - Industry/Technology Provider

### Gold Award

TekUncorked AllIoT Private Limited

*AI-Driven LVIoT Platform for Self-Healing Last-Mile Distribution Grids*

### Gold Award

Plutomen Technologies Private Limited

*AI & XR-Enabled Connected Worker Platform Enhancing Safety, Productivity and Reliability in Utilities*

### Gold Award

IntelliSmart Infrastructure Private Limited

*Smart Meter MI (Meter Installation) & MRN ( Meter Replacement Note) QUALITY VALIDATION through AI*

Smart Start-up and Incubator of the Year

Platinum Award

Nashik Engineering Cluster

Innovative Startup Incubation: Empowering Entrepreneurs at Nashik Engineering Cluster for Sustainable Growth

Innovative Financing For Energy Transition
